ENTERPRISE

Exciting and fun business simulation programmes giving young people an insight into the knowledge and skills entrepreneurs need when setting up and running their business.

Employers engaged for each event act as "Business Mentors" for students to help them develop a great business plan and deliver it to high quality. Students work in teams as a business taking on different roles and responsibilities and compete to win "Best Business".

Qualifications are valued by employers as indicators of achievement and ability but developing the right attitude and behaviours for success in all aspects of life is vital.
